Thanks Kathleen,
You could take till midweek if you need it. Ideally I'd like to send over to the front office by the end of the week (just to head off any issues with final posting in January). Thanks!

Subject: BaP AO Factsheet

Hi Kathleen,

I've attached a fact sheet for BaP that will go to the administrator in the next week since BaP is set to be released in early January. I've updated the fact sheet with the most current information and highlighted sections I was not sure were still relevant for this assessment. Please let me know if any changes or edits need to be made.

Thanks!
Salina
